

BETHANY BEACH: Council to vote on recycling

By Andrew Ostroski
Staff Writer

BETHANY BEACH — The town council is scheduled to meet at 7:30 PM on Friday, Oct. 19 in the town hall at Coastal Highway and Garfield Parkway for their monthly meeting.

On the agenda for the meeting is a measure to sign a contract with the Delaware Solid Waste Authority to begin a recycling program in Bethany Beach.

The recycling program would not be mandatory for the public. Subscribers would be supplied with a 35 or 65 gallon container to be used for all of their recyclables. The DSWA would conduct pickups on Fridays, with 36 pickups a year. Collections would be weekly in-season, with pickups twice a month in the out of season months. Resident subscribers would pay roughly \$36 yearly added onto their trash bill.

Also on the docket for tomorrow night's meeting is a potential vote on whether or not to hold a public hearing to discuss banning smoking on the beach, boardwalk, bandstand and in the ocean at next month's meeting.
